Machine Tools

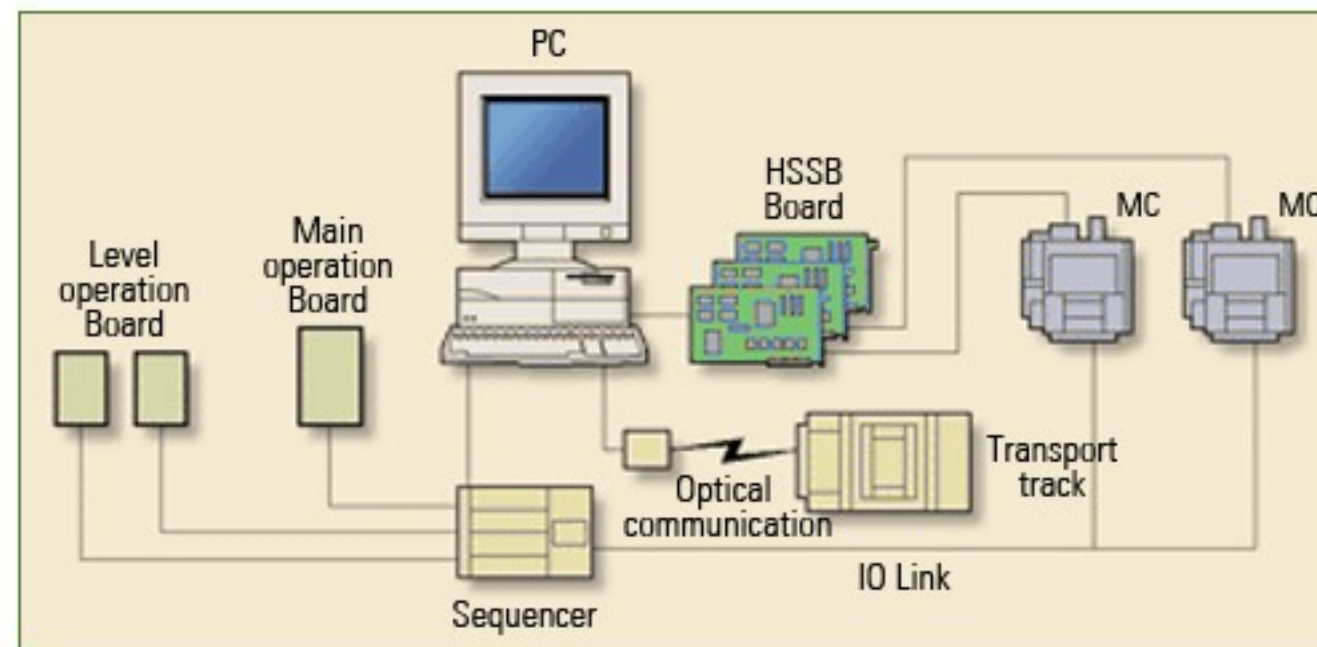

NIIGATA MACHINE TECHNO

[machine tools TOP](#)

● ICC (Intelligent Cell Controller)

NIIGATA attends to every FMS need. ICC which our company developed uniquely is the optimal software for the user who gives priority to on-site functional. WindowsNT is used for OS and a setup of a complicated processing plan can also be easily performed by operation by the icon of a personal computer screen.

● ICC System Configuration

Solid multilateral type FMS

Straight line multilateral type FMS

Multilateral APC type
